## Who We Are

The Oklahoma Chamber of Commerce Executives (OCCE) was established in 1973 to unite chamber of commerce professionals in the State of Oklahoma through professional and personal development. Today, OCCE continues to focus on education for chambers and their staff to build high quality executives that can lead and make positive impacts on their community.

## Reach the Decision Makers

In the year of COVID, the 2020 Annual Conference that is held in-person has been canceled. This fall conference will be held over two-days in the afternoon with six one-hour sessions and after-hours virtual networking and games.

The OCCE Virtual Fall Conference sponsorship offers an excellent opportunity to build and strengthen relationships with OCCE members; increase visibility, publicity, and brand recognition you need to stand out in today's competitive environment; and provides a platform to communicate the benefits of your company and industry.
