Who We Are

The Oklahoma Chamber of Commerce Executives (OCCE) was established in 1973 to unite chamber of commerce professionals in the State of Oklahoma through professional and personal development. Today, OCCE continues to focus on education for chambers and their staff to build high quality executives that can lead and make positive impacts on their community.

Reach the Decision Makers

Don't miss the chance at the Annual Conference to reach approximately 80 community and economic development CEOs and staff from across the state. The OCCE Annual Conference sponsorship offers an excellent opportunity to build and strengthen relationships with OCCE members; increase visibility, publicity, and brand recognition you need to stand out in today's competitive environment; and provides a platform to communicate the benefits of your company and industry.
